MOONLIGHT KISS: MESSAGES FROM MY HEART

AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.About the Book This book is a pilgrim s journey engraved in its Word. Each poem is a remembrance of a moment, an instant of dream, of desire and at times of questioning. Moonlight Kiss is seeing life as suddenly everything has stopped, realizing that each moment is just a beginning,the best life experiences are yet to come! It is treasuring emotions to later offer them in poetry to others, as part of our collective soul. In this journey we are not alone. The writer promotes with her poetry and stories a better understanding of human existence and inner growth. Moonlight Kiss approaches our humanity in spirit, soul and bodies. It attempts to find beauty in solitude, hope in the midst of uncertainty; to lift up physical love, knowing that such love can t exist without that Divine Being: yes, God. Inside each man and each woman there s the profound desire for true intimacy with other human beings, the kind of intimacy where we accept our limitations and honor the qualities of our loved ones. This book honors those we love without losing our appreciation for our true self. It affirms the value of others without losing our individuality. If you, my reader friend, through reading this book, realize that you know and love yourself a little better, and value love even more deeply, the purpose of this book will have been fulfilled. Roxana.
