Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

EarlyLight Books, Incorporated. Hardback. Book Condition: new. BRAND NEW, Animal Colors: A Rainbow of Colors from Animals Around the World, Beth Fielding, Susan Greenelsh, Discover the world of animals in a kaleidoscope of vibrant color! The first half of the book features two-page spreads of animals from each color of the rainbow, while the second half of the book expands the concept with animals in multiple color combinations -- yellow and orange, orange and red, red and blue, blue and green, and black and white. Animal Colors features a rainbow of colorful animals to discover, dazzle, and delight. Natural history and animal behavior tidbits describe the ways animals use color as camouflage, warn predators they're poisonous, and communicate with friends and enemies. Some animals change colors when they get hot or cold, or when they are scared, while others change color as they age. The vibrant design and large animal images will make this book a favorite with younger readers eager to practice their color recognition skills, while the smaller images with animal trivia text expands the age range, inviting a smart kid and reluctant reader audience. Animal Colors is the first in a series of books integrating concepts such as shapes, numbers, and patterns with fascinating animals. Includes index and color behavior appendix.
