Peakpublish. Paperback. Book Condition: new. BRAND NEW, Sonny: The Truth Between the Lines, Wallace Gordon, Sonny Boothroyd is a young man who leaves the warm clasp of his family to face almost certain death. The road he travels is invariably deep in mud which clings to him and the letters he is allowed to send home to his mother. In time, Sonny's blood will be added to the mud that marks his final resting place. In this book we trace Sonny's last journey and identify those who urged him to take it. His employer, the business barons who ran his city, and those in government claiming to represent him are just some of the people who put Sonny in uniform, and sent him to fight in the savagery that was the First World War. Never before have these individuals, their motives and their purpose, been subjected to such close scrutiny. They prevailed on him to "volunteer" while others cheered him on his way. But Sonny Boothroyd was a flower of the forest who never returned in Spring.
