Brand New Book ***** Print on Demand *****.Whatever your definition of success, there are some character traits which are essential. In this book, there are thirteen (13) traits which form the acrostic: CHARACTER WINS. These traits are important for all people regardless of their end goal at work, in school, or at home. These traits will help everyone develop the mindset of a winner. As a Christian, the author believes that one of the crucial parts of life is how we relate to others - love one another and love your neighbor as yourself. Therefore, the majority of the traits in this book involve communication and interaction with others. To highlight each trait, there are quotes and there are Bible verses which you can easily write down and use every day. Each character trait also includes a brief overview of at least one modern (or recent history) person who exhibited that trait, as well as one person from the Bible who exhibited the trait. Most importantly, each chapter has ideas, tips, exercises to help you cultivate that trait yourself. Anyone can learn to develop the mindset of a winner. When you cultivate the 13 character traits included in this book and develop the mindset of a winner, you will have the tools necessary to be a successful person and be prepared for excellence.
