BECOMING A PHYSICIAN

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. Becoming A Physician is a collection of poems that follows a young doctor s journey through medical school classes and the wards, abroad to Tanzania in research on HIV, and through internship and early residency. It includes poems about the doctor-patient relationship, different diagnoses, and snapshot poems that capture a moment in time. The young physician describes experiences such as anatomy dissection, losing his first patient to a terminal illness, caring for patients in resource limited setting, death and faith, personal growth, love, anticipated fatherhood, and maintaining work-life balance in a difficult profession. The poetry collection as a whole weaves a narrative thread maintained by the growth of the author during medical training, and alternates between being humorous and serious.
