GRIN Verlag. Paperback. Book Condition: New. Paperback. 64 pages. Dimensions: 8.1in. x 5.8in. x 0.2in. Essay from the year 2007 in the subject Business economics - Marketing, Corporate Communication, CRM, Market Research, Social Media, grade: 70, Oxford Brookes University, 71 entries in the bibliography, language: English, abstract: China, a country with population of 1.3 billion people and is currently experiencing rapid growth in economy since it open itself to the world for investment. In the year of 1994, Wal-Mart made its first move to China by selecting CITIC (China International Trust and Investment Corporation) group as local partner for the investment. Opening its first store in Shen-Zen in the year of 1996 and since then has grown to 81 stores in 20 more cities around china. In China, Wal-Mart is using adaptation strategy where it locally sourced its product although the organizational culture is standardized with the home country. Adaptation strategy does not apply only to the product wise, in term of the store formats are also adapted to the local cultures where racks height, and stores layout are also changed to meet local taste. From the macro-environment view of the china retailing industry, Wal-Mart will face threats on the political side where the government is not transparent enough in the policy making. Moreover, it is currently anticipating the economic big turnover by tightening the regulations on the land although China is still encouraging foreign investment. In China, Wal-Mart will face strong competition from its arch-rivals Carrefour and other strong local competitor such as Lian-Hua supermarkets and China Resources Enterprise of which both are the pioneers in the China retailing industry. The current position of Wal-Mart in China is still far away to be as the same level with them as Wal-Mart is unable to apply its superiority in logistics...
