Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Christian Socialism in England My purpose in this book is to trace the historical development of Christian Socialism from its origin under Maurice and Kingsley to its present form in the Christian Social Union, and to show, as far as possible, the connection between the two. The history of the early movement was written some years ago by Professor Brentano of Munich, and his work still remains the standard authority. I have, however, made an independent study from the original sources, and have had the kindly criticism of Mr. J. M. Ludlow, one of the founders of the original movement under Maurice.
