When twelve year old Patrick Brighton is kidnapped by a strange and sinister man, Aster Tye, the world is forever changed. The boy, along with five of his rescuers, begin their pursuit of the Witch Queen, a woman guarded in secrecy who has unleashed a plague upon mankind in order to bring about his downfall. From unnatural beings who are unwilling to pass into the land of the dead - beings that wish to take Patricks life for their very own - to chilling religious fanatics who embrace the apocalyptic state that the world has slipped into, to lethal mice who are machine-like in their purpose in trying to stop Patrick and his friends, the story races forward with Tye and his wicked ways lashing out at Patrick at just about every turn. At the center of it all is Patrick Brighton. Lost, alone, and unable to come to grips with what the animals are telling him about himself, he must face challenge after challenge...
