A Mighty Fortress: A New History of the German People

By Steven Ozment

Harper Perennial. Paperback. Book Condition: New. Paperback. 432 pages. Dimensions: 7.9in. x 5.2in. x 1.2in. The word German was being used by the Romans as early as the midfirst century B. C. to describe tribes in the eastern Rhine valley. Nearly two thousand years later, the richness and complexity of German history have faded beneath the long shadow of the country's darkest hour in World War II. Now, award-winning historian Steven Ozment, whom The New Yorker has hailed as a splendidly readable scholar, gives us the fullest portrait possible in this sweeping, original, and provocative history of the German people, from antiquity to the present, holding a mirror up to an entire civilization -- one that has been alternately Western Europe's most successful and most perilous. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
