America Star Books, United States, 2011. Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.To bring back the earliest recollections to the present memory is really a difficult task; however I have tried to collect them largely from the vast panorama of my past. I have written some of them as stories, and some of them really read like narrative essays. From my childhood fears and fancies to my adolescent fantasies and wandering thoughts, I too have moved like a common boy. But my troubles, responsibilities and my challenges shaped me a bit differently from others. On a maturation process I made some adventures upon philosophical, political and literary arena where I found my life risky as well as beautiful. The moments of migration, the deadly days of Madhes, the roars, rigours and rivalries, the strange journey of Life Philosophy and the oscillating development of Nepalese politics probably can delight my readers. From this point when I look back upon my past I find my life startlingly formidable and my future extremely exciting as well as challenging. To be a writer is not my hobby, but a gradual and deliberate movement of my life.
