A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Brand New Book ***** Print on Demand *****.Excerpt from Pre-Historic Man: Two Lectures, I, the Facts, 2, the Conclusions, Being an Outline of Pre-Historic Archaeology, Intended as a Syllabus of Two Lectures on the Subject, for the Benefit of the Boys and Girls Aid Society of San Francisco The late Louis Agassiz was a man of much wit, one of the ablest scientific men of this century, and an evangelical Christian. He said this: Whenever any new scientific truth is announced, people say: First - That it isn't so. Second - That it is contrary to religion. Third - That everybody knew it before! Archaeology is now passing through the second stage of this process of Agassizm, and it is accordingly exactly where it interests the maximum number of intelligent and virtuous people. It is to such that this pamphlet, and the lectures of which it is a summary and the efficient charity for whose aid those lectures are given - all three appeal. This pamphlet is prepared mainly in order to be handed to the audience - or to those thought likely to be such - at two lectures on its subject, to be given for the benefit of the Boys and Girls Aid Society of San Francisco, December 27th, 1883, and January 3d, 1884. Some of these persons may like to read a little for themselves in this fresh and fascinating department of research, and if so, this may serve as a sort of guide to begin with. If not, then at least this outline may help to the better recollection of the facts and conclusions stated. The arrangement is a synopsis of the subject, with a list of books appended,...
