 NOTE If you re looking for ways to short-cut the amount of time you spend planning lessons, then this book is not for you. The approach outlined in Lean Lesson Planning requires effort and practice, that given time, will lead to better teaching and higher quality outcomes for less input. **OVERVIEW** This book is for any teacher who s interested in improving their lesson planning and practice. It outlines a set of mindsets and habits you can use to help you identify the most impactful parts of your teaching, and put them centre stage. It s about doing less to achieve more. But it s also about being happier and more confident in the classroom. Building stronger routines around the essentials will give you more time and space to appreciate and think creatively about your work. **CONTENTS** ACT I Lean foundations 1. Defining lean 2. Lean mindsets 3. Lean habits ACT...
