Renowned Bible teacher Marilyn Hickey brings scriptural truths and principles to life. Explore the love of God, which prompts His desire to heal us, and the power of God, through which healing occurs. Find out how healing ties into your overall relationship with your heavenly Father. As you do, you will discover the answers to these questions: * Why is there sickness in the world? * Is faith necessary for healing? * Will God heal me? * Can sickness return? * How can I live in divine health? * What are the four components to miraculous living? Your faith will increase as you read the compelling personal, ministry, and biblical accounts of others who have been healed so that you, too, can receive healing. You will also be encouraged to reach out to those around you and allow God's healing power to flow through your life to the sick and hurting. Our loving Creator is also our Healer. He desires that all of His children live in divine health and wholeness in their spirits, bodies, emotions, and minds. Like all good things, health and healing come from God, and He still heals today.
