Reviews

It is one of the most popular pdf. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

Loving Healing Press. Hardcover. Book Condition: New. Elisa Sabella (illustrator). Hardcover. 38 pages. Dimensions: 11.2in. x 8.6in. x 0.4in. **Whats happening to me** This book translates anxiety from the jargon of psychology into concrete experiences that children can relate to. Children and their parents will understand the biological and emotional components of anxiety responsible for the upsetting symptoms they experience. **Please Explain Anxiety to Me** gives accurate physiological information in child friendly language. A colorful dinosaur story explains the link between brain and body functioning, followed by practical therapeutic techniques that children can use to help themselves. Children will: learn that they can handle most issues if they are explained at their developmental level understand the brainbody connection underlying anxiety identify with the examples given find comfort and reassurance in knowing that others have the same experience be provided with strategies and ideas to help them change their anxiety responses be able to enjoy childhood and to give up unnecessary worrying Therapists and Educators Praise **Please Explain Anxiety To Me** On any given day, around thirty percent of my patients have anxiety related symptoms. The simplicity and completeness of the explanations and treatment of anxiety given in this book is remarkable. Defi ning the cause, treating the core symptoms, and most importantly bringing it to a childs level accompanied by wonderful illustrations, is an incredible feat. I will defi nitely use this book in my practice. Zev Ash, M. D. F. A. A. P. , Pediatrician Anxiety is, of course, a complicated neuro-physiological process but it has been reduced to understandable terms in this brilliantly illustrated book for children. I would go even further and say that there are adults who could benefit from the straightforward approach. Rick Ritter, MSW, author of *Coping with Physical Loss and Disability* This excellent book...
