

English Hexapla- The Gospel of John

By -

White Tree Publishing, United Kingdom, 2010. Paperback. Book Condition: New. 244 x 184 mm. Language: English . Brand New Book ***** Print on Demand *****.This book contains the full text of Bagster s assembled work for the Gospel of John. On each page in parallel columns are the words of the six most important translations of the New Testament into English, made between 1380 and 1611. Below the English is the original Greek text after Scholz. To enhance the reading experience, there is an introduction telling how we got our English Bibles, with interesting pages from early Bibles shown at the end of the book. Many people lost their lives for what was considered at the time to be an act of blasphemy - owning an unauthorized copy of the Bible in English. For over a thousand years, the Bibles in the Western Church were in Latin, a language known to scholars, lawyers and the clergy, but unknown to the average person. Although printings of Bagster s 1841 book of the complete New Testament are available at a high cost, this edition is intended for the Bible reader who is interested in comparing the earliest English translations with each other,...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
