

## When the Facts Change: Essays 1995 - 2010

Filesize: 2.89 MB

### ***Reviews***

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

## WHEN THE FACTS CHANGE: ESSAYS 1995 - 2010

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, When the Facts Change: Essays 1995 - 2010, Tony Judt, This is a great thinker's final testament: a characteristically wise and forthright collection of essays from the author of *Postwar* and *Thinking the Twentieth Century*, spanning a career of extraordinary intellectual engagement. Edited and introduced by Jennifer Homans. Tony Judt's first collection of essays, *Reappraisals*, was centred on twentieth-century Europe in history and memory. Some of Judt's most prominent and indeed controversial essays felt outside of the scope of *Reappraisals*, most notably his writings on the state of Israel and its relationship to Palestine. There would be time, it was thought, to fit these essays into a larger frame. Sadly, this would not be the case, at least during the author's own life. Now, in *When the Facts Change*, Tony Judt's widow and fellow historian, Jennifer Homans, has found the frame, gathering together important essays from the span of Judt's career that chronicle both the evolution of his thought and the remarkable consistency of his passionate engagement and intellectual elan. Whether the subject is the scholarly poverty of the new social history, the willful blindness of French collective memory about what happened to the country's Jews during World War II, or the moral challenge to Israel of the so-called Palestinian problem, the majesty of Tony Judt's work lies in his combination of unsparing honesty, intellectual brilliance, and ethical clarity. *When the Facts Change* exemplifies the utility, indeed the necessity, of minding our history and not letting cheerful fictions suffice in its place. An emphatic demonstration of the power of a great historian to connect us more deeply to the world as it was, as it is, and as it should be, it is a fitting capstone to an extraordinary body of work.
