Dreamspinner Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Welcome to a new season of Burned, where we find fresh new cooking talent and a few culinary disasters! Every season we do something a little different, and this time it's all about the sweet things in life. Get ready in week one as twenty pastry chef hopefuls and dessert connoisseurs compete for the thirteen coveted workspaces in our Burned kitchen. With stakes this big, we ask the one question on everyone's mind: Do these chefs have what it takes to rise to the top? Or will they get Burned? Burned contestants Chase and Kai are attracted from the start and can't wait to spend more time getting to know each other until they see the first episode treatment and realize the producers intend to portray them as bitter enemies. At first it's fun to pretend to bicker enemies on film, lovers when the cameras stop rolling but soon it's hard not to take the faux rivalry seriously. It's only when their choice is to band together and bake their way to the final or get burned that they find where their real loyalties lie.
