This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2004 in the subject Cultural Studies - Basics and Definitions, printed single-sided, grade: A, Ewha Womans University (Graduate School of International Studies), course: Comparative Society and Culture, 20 entries in the bibliography, language: English, abstract: This paper deals with three of the original six different topics about spatial locations. Namely, Maps, Nations and Regions and Spatial Segregation. The whole analysis refers solely to three countries: the Federal Republic of Germany, the Republic of Korea and the Republic of Ecuador. Nevertheless, following the example of Carol Delany in her book 'Investigating Culture', the most important and most specific examples of these topics of spatial locations within these countries will be given focusing on concrete examples. The aim of this term paper is to analyze the three countries from three different continents regarding their specific understandings of their map, their nation(s), their region, and spatial segregation inside the country. Thus, one can say that the content of this work refers to the historical part of space / spatial locations within these countries. After...
