CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 46 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. These 50 piano pieces are intended as complementary to the very first piano lessons and meet the exigency to find authentic musical pieces: current and very easy, to make music right from the first day. The pieces are introduced in progressing order of difficulty. They are very usable and absolutely melodic: atmospheric, lyrical and rhythmic pieces inspired by blues or modern arrangement with the use of cluster, pedal pressed all through the piece, with complementary beats at will and a simple musical score as the child illustrates a certain situation through sounds. Some of these pieces are already in the V Volume of the Musica Ludica series, which focuses on moving from the preparatory level to the study of piano. With respect to the V Volume, various new pieces have been included. The collection also includes some technically elementary four hand pieces, an important training and rewarding experience. This item ships from La Vergne, TN. Paperback.
