Granada Publishing, Limited, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Plunge into an illuminating journey through this engaging work titled Nuggets of Resurrection. This first volume in the Ruminations on the Golden Strand series is presented with a remarkably balance of spiritual and earthly inspiration. Believing that the path to spiritual transformation is like climbing a mountain, Onwuka explains that there are different stages in the climb each with its own associated challenge to overcome. He further explains that many who start the spiritual climb often end up on a spiritual plateau without realizing that it is not yet the summit. This is the indolence or arrested spiritual development that hinders many from coming into the fullness of the riches of the divine. The twenty-three chapters in this remarkable 260 page work include such chapters as Driving Wisely in Life, The Divine Nuggets, Healing and Restoration, The Golden Flakes, As Heaven meets Earth, A Light for All, A Passport is Required, The Sharer Abounds, Offspring of Wisdom as well as notable many others. Nuggets of Resurrection is a book that guides, encourages, and inspires its readers through words that resound clearly in the heart. The underlying threads of hope, redemption and love are woven together into a cord that guides the reader up to the spiritual summit. Onwuka masterfully blends words to frame eternal truth while drawing attention to the certain and unchanging with the power to change humanity for better.
