But it was only in the summer of that this great poet was introduced to the West by the Irish poet William Butler Yeats. The English papers and magazines were full of enthusiastic eulogies on him. Some of them even deplored the decadence of poetry in the West, and lauded the Hindu poet to the skies as a man representing genuine poetical feeling. In the autumn of the same year, Tagore came to America. Unnoticed he came to this great country, and unnoticed he left in the spring of 1913. In the winter of the latter year he was awarded the Nobel Prize for idealistic literature, and he at once gained an unprecedented international reputation as a poet.
