

Hope Help Healing: Traveling for Treatment in China

By Karen Lauritzen, Ruth E. Lycke

AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. 231 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Hope Help and Healing is the foremost book on cutting edge medical advances and opportunities for traditional treatment in China today! A must read for anyone contemplating medical treatment or surgery of any kind. Often thought of as a country steeped in rich culture and ancient history, China also delivers some of the finest medical care in the world. China is on the map as a leader in the global economy, host for the 2008 Olympic games and the nation with the largest population and oldest civilization in the world. China is now a leading economic powerhouse and hub for medical treatment and tourism. With the surge to improve the Chinese infrastructure, state of the art facilities have been built and staffed with world-renowned physicians. Many people know China to be a center for rejuvenation promised by acupuncture, Chinese medicines and Chinese massage. Both TCM (Traditional Chinese Medicine) and top class medical expertise are offered at very competitive prices. New Chinese corporate hospitals attract foreign patients for high-end surgeries such as Cardiac Bypass or a Knee/Hip Replacement.
