Brand New Book ***** Print on Demand *****.Virtually all of us, at one time or another in our lives, have relied on drug therapy for treatment of illnesses ranging from minor to life threatening. Many wonder just what these agents are doing to us, good, bad or indifferent. Perhaps we feel that we do not have the knowledge to be able to evaluate the impact of drugs on us. A common sense approach is used to aid in understanding the ins and outs of over-the-counter drugs, vitamins, herbal medicines and nutraceuticals.
