Available only under new title: New World Order The Final Solution Independent Review: While grounded in Libertarian values. . . the comedy within these pages is very, very dark. . . The story draws us into the plans of vigilante mastermind Clifton Farris as it reveals his grandiose scheme to rid the world of evildoers, a task that the government can no longer adequately handle. . . a pleasure to read: the writing is extremely intelligent, and the events are unpredictable, to say the least. Chock-full of surreal imagery, it is an oddly compelling page-turner. . . It ranks with Jonathan Swifts classic essay A Modest Proposal as a work of satire. Michael Ray Brown, Story Sense Authors Description: Epic science fiction thriller about the struggle against globalist tyranny early in the 21st Century. The world economy has collapsed. People are starving. Urban warfare is breaking out everywhere. Saving humanity from planned oblivion involves the heroic efforts of a Libertarian journalist, threading his way through strange episodes of social decay, in an ongoing race with a man who has already executed over five hundred thousand people. . . and is just getting started. Also from Heroic Destiny Productions by this author: With Two Girlfriends, Of Heroic Destiny, Strange Phenomena This item ships from La Vergne, TN. Paperback.
